CALYPSO FLOWER STRAIN GUIDE

2020

Afghani

Afghani is an ancient landrace strain that has grown wild under the mountain peaks of Afghanistan for centuries; preserving its nearly pure Indica genetics and properties. This strain is prized for its high resin content which gives it a sweet, earthy scent with a touch of bright lemon zest, while its flavor introduces notes of wildflowers and herbs. Afghani can deliver deep relaxation and euphoria that rolls over your body like gentle waves, making it excellent for nighttime use.
