

Get Relief, Your Way

Your medical marijuana experience can be simpler and more effective. Simply choose one of our three unique varieties and feel the relief.

**CALM, RELAXED,
AND SLEEPY**

Soothe your body and release your mind. With more sedative effects, Calypso Chill products are best suited for enjoying a relaxing night in or getting restful sleep.

**BLISSFUL, POISED,
AND SOCIABLE**

Elevate your mind and body into a joyful, stress-free state. With a balance of sedative and energizing effects, Calypso Cruise products are perfect for any activity, so you can sail through the day with ease.

**EUPHORIC, UPLIFTED,
AND ACTIVE**

Activate your body and sharpen your mind. With more energizing effects, Calypso Charge products are ideal for tackling a workout or exploring new hobbies.

How Cruise is your Chill?

This scale illustrates the relative effects that most often accompany Calypso's premium strains. Choose your favorites and feel the relief!
